-----------------------------------------	--	--	---------------	------------

IGETC is a general education program which community college transfer students may use to fulfill lower-division general education requirements in either the UC or CSU system.

Students pursuing majors that require extensive lower-division preparation may not find completing the IGETC option advantageous. Biology, Engineering and Liberal Studies are examples of these majors. Please consult with an academic advisor.

**All courses must be completed with a grade of "C" or higher. A course may meet only one area of IGETC.**
